1. A review of [REDACTED] indicates that only para.2 and not para. 1 would be applicable in the case of this station. But since the services mentioned in para. 2 that are provided [REDACTED] at this station are negligible, and since the undersigned, the sole person now at this station for this organization, does more than a full time job [REDACTED], it is presumed that [REDACTED] would not be entitled to any settlement in any case.
